The Mid-West Bank

North Nebraska Teachers' Association

The North Nebraska Teachers' Association will meet at Wayne March 29, 30 and 31. In coming to Wayne the teachers of this section of the state will have an opportunity to inspect the growth and advantages of the Wayne State Normal School, for all the sessions will be held in its buildings.

For the general sessions and the sectional meetings the Executive Committee has secured State Superintendent Fred L. Keeler, Lansing, Mich.; Prof. George J. Miller, Mankato Normal, Mankato, Minn.; State Superintendent Clemmons; Supt. M. G. Clark, Sioux City, Ia.; Prof. E. Persinger, University of Nebraska; Miss Grace Minor, Omaha; and Mr. C. A. Huff, Palmer Penmanship Specialist, Cedar Rapids, Ia.

On Friday evening the Wayne Commercial club and the Executive Committee jointly are fortunate in being able to present Miss Louise LeBaron, a prima donna contralto, Boston opera house, and Mr. Walter Wheatley, leading tenor, London and Century Opera, New York, in a program of grand opera, given with scenery and costumes.

The Nebraska High School Declamatory Association will hold its annual contest Thursday afternoon and evening in the new auditorium. This has interest for all as is shown by the fact that thirty-seven towns are sending representatives.

The county superintendents' section also will hold its sessions on Thursday afternoon with a program full of interest to all who are connected with our schools.

Adequate lodging and boarding facilities have been provided for all who attend the meeting. The Commercial club, the teachers of the public schools, the faculty of the State Normal and the citizens of Wayne are co-operating to make the sojourn of the visitors pleasant and profitable.

The Herald this week publishes an article handed us by Jos. P. Quinn, in which he comments on an article published last week on the question of consolidation of schools. Mr. Quinn, personally, is in favor of consolidation, but objected to a few terms and phrases used in the former article. Consolidation of schools is growing in sentiment all over these United States, and as long as it is a free country will continue to grow. Mr. Quinn offered to pay for publishing his article, but as we had given the former article free space, we granted him the same courtesy.

The following clipping from a Charleston, Okla., paper was sent us for publication. The Sharp family formerly lived near Jackson. "Albert L. Special Assessment Levied in Drainage District No. 2

The first additional and supplemental assessment on all of the property embraced within Drainage District No. 2, was levied this week, and amounts to \$35,000.00. This special assessment amounts to five-twelfths of the original amount levied when the district was organized.

The new assessment draws interest at 5 1/2 per cent, beginning with the 1917 taxes.

The special assessment is to be collected as follows: For the years 1917, 1918, 1919, 1920, 1921 and 1922 the interest at 5 1/2 per cent will be certified. For the year 1922, in addition to the interest, a levy of one-fifth of the special assessment will be made. For the year 1923 interest at 5 1/2 per cent for one year on four-fifths of the sum levied and in addition one-fifth of the total sum levied. For 1924 interest at 5 1/2 per cent for one year on three-fifths of the sum levied and in addition one-fifth of the amount originally levied. For 1925 interest at 5 1/2 per cent for one year on two-fifths of the amount levied, and in addition one-fifth of the amount originally levied; for 1926 interest at 5 1/2 per cent for one year on one-fifth of the amount levied, and in addition one-fifth of the original amount levied. This will make the assessment run until 1926, when the last installment will be paid with the 1926 taxes.

For the first five years, or until 1921, only interest at 5 1/2 per cent will be levied each year, and beginning with 1922 levies of one-fifth of the principal will be made in addition to the levies for interest. One-fifth of the principal will be paid each year, in addition to the interest, after 1922 until the full amount levied has been paid. This will make the last assessment come with the 1926 tax levy.

In the new assessment Dakota county is charged with \$832.65 "by reason of highways within said district" as the special assessment, and unless the amount is paid before the full time allowed by the terms of the levy, there will be \$366.37 interest, making a total of \$1,199.02 as the county's share in the special assessment.

The C. B. & Q. railroad is charged with \$628.42 and \$276.50 interest, and the C. St. P. M. & O. railroad is charged with \$2,403.69 and \$1,057.62 interest.

The installments will be certified to the clerk each year in the same manner as former assessments were certified, and the amounts will be collected by the county treasurer with the general tax.

Waterbury Young People Wed.

A pretty wedding occurred at the home of Mr. and Mrs. Henry Luehr of Waterbury, Nebr., at eleven thirty o'clock Wednesday, March 14th, when their daughter, Elsie Carolina, was united in marriage to Sofus G. Rasmussen, son of Mr. and Mrs. Knud Rasmussen of Waterbury, Neb. As the strains of the Bridal Chimes were played by a sister of the groom, Miss Marie Rasmussen, the bride and groom took their place. The ceremony was performed by Rev. Ralph Clem. Miss Christina Luehr, sister of the bride acted as bridesmaid and a brother of the groom, Thorwald Rasmussen acted as best man. The bride was attired in a gown of white taffeta and georgette crepe and carried a bouquet of orange blossoms. The bridesmaid wore a gown of pink voile. Many useful gifts were received. After the ceremony the guests were led into the dining room where an elaborate four-course dinner was served. The wedding colors were pink and white. The bride couple departed at three o'clock on their honeymoon to Michigan, and after March 25, will make their home on the Knud Rasmussen farm east of Waterbury. Heartiest congratulations are extended to this couple.

ROCKY MOUNTAIN TOURS

The season of 1916 brought to the Rocky Mountains the greatest patronage yet recorded. Estes Park, Colo., and a number of ranches in the Big Horn Mountains were forced to turn tourists away. Many mountain localities and ranch resorts are now increasing their capacity preparing for the coming Summer's volume.

Every prospect now indicates a greater tourist volume in the mountains this coming Summer than ever before. Tourists will view Yellowstone Park by automobile; the magnificent Rockies with their three National Parks;—Rocky Mountain-Estes, Yellowstone and Glacier are luring Easterners from their limited environment, who want to tour the big, wide West and to understand it. In due time, descriptive publications of Summer tours will be available. If you expect to join the mountain Summer throng, especially if you desire accommodations at some particular place, it would be well to make early plans.

Let me know the region in which you are interested, that I may list your name for information and publications.
